Observations from the Survey :

1. Teaching

- Majority of the students have given positive response on the existing teaching-learning practices and the teaching faculty.
- Academic advises and access to teaching staff improved significantly.
- There is still scope for improvement in the quality of teaching.
- Ethical consciousness increased among the staff of the institute.

2. Labs

- Most of the students gave satisfactory responses regarding the availability of equipment in the laboratories, lab instructors' explanation, time allotted for lab sessions, and their learning experiences with respect to practical sessions.
- Some students requested to increase the Hands-on sessions.

3. Library

- Most of the students gave positive response with respect to the library services in the college.
- Some students requested to increase the no. of library hours in timetable.
- Majority students have requested to increase the no. of journals in library.

4. Extra-curricular / Value-Added Activities

- Majority of the students gave positive response about the college's initiatives in conducting extra-curricular and value-added activities during the academic year.
- According to the previous academic year's feedback report, there is a slight dissatisfaction among some sections of students regarding value-added activities. IQAC's intervention in this regard has improved the level of satisfaction of students in to a greater extent in this academic year.

5. Environment and Ambience

- Most of the students gave positive responses about the college environment and ambience. The general maintenance and classroom ambience are the two factors which needs little more attention and the same is informed to the Purchase and General Maintenance Committee (PGMC) for improving measures in maintenance.

6. Training and Placements

- Observations from the responses on factors listed under this head for the survey are as under :
 - Inadequacy in duration of training
 - Need for improvement in quality of training

- Less number of core company drives/placements
- Moderate salary offerings by companies during the drives
- Sufficiency in terms of number of training personnel
- Feedback is presented to T&P department and discussed on the areas of improvement. Also informed to minimize the deficiencies and maximize the student positive experiences within less possible time.

7. Sports

- Observations from the responses on factors listed under this head for the survey are as under :
 - Inadequate sports equipment
 - Insufficient time allotted in timetables for sports
 - Sufficiency in terms of Courts, Play grounds, and PDs encouragement for games and sports.

8. Canteen and Hostel

- One-fifth (approx.) of the sample size considered has given negative responses with respect to the availability and quality of food, cleanliness of hostel and canteen, and the space available in canteen.
- Majority are of the opinion that the items in the menu are at affordable cost.
- Canteen and Hostel maintenance team are informed to take measures immediately, to improve student satisfaction in these areas.

9. Transportation Facilities

- Among the students (200, the sample size used for this survey), only 67 are utilizing transportation facilities provided by the institute via different routes.
- Most of the students are of the opinion that the arrival of buses at the fixed stops is mostly on-time.
- Many students gave their positive response with respect to the cost of bus services offered by the college.
- Some of the students are unhappy with the seating capacity, cleanliness, and behavior of bus staff. Although this has been brought to the notice of Transportation services department, there is still need for improvement.

10. Washrooms

- Many students gave negative responses with respect to the cleanliness and maintenance of washrooms.
- Most of the students are of the opinion that the water facility at washrooms is adequate and had no issues in this regard.

In light of the observations listed above, the Students' Experiences Committee (SEC) would like to forward the following recommendations to your kind perusal and humbly request your intervention towards necessary initiation in measures being taken to enhance student satisfaction in the institute :

- In order to improve quality of teaching, all the department heads are advised to perform periodical checks on the quality of teaching, and teaching material provided to the students. A copy of the checklist is to be submitted at the office of IQAC for record purpose.
- Although many students gave satisfactory responses in terms of availability of books, journals, and duration of library hours, the committee observes that there is much need in enhancing the duration of library hours and appropriate mechanism needs to be adopted to monitor the optimal use of such sessions by the students.

- The students are very much delighted with their experiences in value-added programmes and extra-curricular events conducted in and outside the college.
- SEC observed that the general maintenance committee is much active in maintaining cleanliness and ambience in the institute. SEC recommends the committee to perform periodical checks on the classroom infrastructure such as desks, fans, lights, blackboard/whiteboards, availability of dustbins, etc.
- SEC recommends the Training and Placement Cell to be proactive in identifying the training needs of the students, discuss with departments for increase in no. of training sessions, special focus on providing quality training material. SEC also recommends the training and placement cell to train the students on 'Negotiation Skills' as they should not be prone for 'Low-selling' during the drives both on- and off-campus. There should be a substantial improvement in attracting core companies (for EEE, Mech., and Civil branches).
- SEC brings it to the notice of all concerned that there is a need for enhancing the general maintenance and cleanliness of canteen and hostel.
- SEC recommends the Transport Committee (TC) to train the Bus Staff (both driver and the assistant) for orienting themselves with well behaved manner. SEC requests the TC to continue the conduct of surprise checks on cleanliness and hygiene maintained in all the bus services of the college.
- SEC recommends instructing the general maintenance supervisor for giving special attention to the cleanliness of washrooms in the entire campus.

With reference to these observations and recommendations made by the SEC, we request your office to inform the committees/offices/departments concerned to ensure implementation of measures for best practices and thus increase student satisfaction as a whole.

Thanking you Sir.
